

Blank? There's nothing happened right!

It's because we haven't added the new variables into the collections!

```
var favorites = [  
    Favorite(name: "Laughing Fox", image: "foxlaugh"),  
    Favorite(name: "Chihuahua", image: "chihuahua"),  
    Favorite(name: "Chipi Chapa Cat", image: "chipichapa"),  
    Favorite(name: "Cat Memes", image: "catmemes")  
]
```
