Try to recreating this with your own text and image!

```
List {
    VStack {
        Image("foxlaugh")          ⟵ Image name
        Text("Laughing Fox")            Your text
    }

                          Figure out what these does
    VStack {
        Image("chihuahua")
            .resizable()
            .frame(width: 300, height: 180 )
        Text("Chichuahua")
    }

    VStack {
        Image("chipichapa")
            .resizable()
            .frame(width: 300, height: 180 )
        Text("Chipi Chapa Cat")
    }

    VStack {
        Image("catmemes")
            .resizable()
            .frame(width: 300, height: 180 )
        Text("Cat Memes")
    }
}
```

Journalling time!

How do you feel about the concept of list?

How do you feel about the written code?
